# COLORADO RIVER FORUM

COLORADO SPRINGS, COLORADO • SEPTEMBER 28, 2021

## What is the Colorado River Forum?

The first of its kind, the Colorado River Forum is a nonpartisan venue for state legislators of the seven Colorado River Basin States in the U.S., as well as the bordering Mexican states of Baja California and Sonora.

During the 2021 CSG West Annual Meeting, appointed members of the Forum will host an inaugural session to adopt bylaws and address priority topics of the region. With governance of the Colorado River under negotiation through 2026, the Forum will offer state legislators an opportunity to engage in collaborative conversation with colleagues, as well as stakeholders.
