

BORDER LEGISLATIVE CONFERENCE

Since its inception in 2002, the **Border Legislative Conference (BLC)** has empowered border state legislators to engage in a binational agenda. Through joint consideration of common challenges and the exchange of information, the BLC fosters the development of shared policy solutions.

CSG West offers private sector partners unique opportunities to engage with lawmakers and other binational actors from across the U.S.-Mexico border region.

2022 BORDER LEGISLATIVE CONFERENCE APRIL 2022 RIVERSIDE, CALIFORNIA

"We share much more than a border with Mexico. We share **opportunities, communities, and a forward vision.**

Now more than ever, **communication and collaboration** with our neighbors is a vital part of our success as a nation, and as a region."

- CA Assemblymember Jose Medina, BLC Chair
