Programs

Border Legislative Academy (BLA)

Launched in 2017, the Border Legislative Academy (BLA) connects key border stakeholders and legislators within their first four years of cumulative service; strengthens the understanding of the U.S. – Mexico relationship; and supports border state legislators in becoming more effective leaders.

Border Legislative Conference (BLC)

Since its inception in 2002, the Border Legislative Conference (BLC) empowers border state legislators to engage in the binational agenda. Through joint consideration of common challenges and exchange of information, the BLC fosters the development of shared policy solutions along the border region.
